

Privacy Policy

This privacy policy describes how AdsForTrees.org uses and protects any information that you give us. We are committed to ensuring that your privacy is protected. If you provide us with personal information through AdsForTrees.org, you can be assured that it will only be used in accordance with this privacy statement.

Website Visitors

Like most website operators, AdsForTrees.org collects non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. AdsForTrees.org's purpose in collecting non-personally identifying information is to better understand how AdsForTrees.org's visitors use its website. From time to time, AdsForTrees.org may release non-personally-identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its website.

AdsForTrees.org also collects potentially personally-identifying information like Internet Protocol (IP) addresses. AdsForTrees.org does not use IP addresses to identify its visitors, however, and does not disclose such information, other than under the same circumstances that it uses and discloses personally-identifying information, as described below.

Gathering of Personally-Identifying Information

Certain visitors to AdsForTrees.org choose to interact with AdsForTrees.org in ways that require AdsForTrees.org to gather personally-identifying information. The amount and type of information that AdsForTrees.org gathers depends on the nature of the interaction. For example, we ask visitors who use our forums to provide a username and email address.

In each case, AdsForTrees.org collects such information only insofar as is necessary or appropriate to fulfill the purpose of the visitor's interaction with AdsForTrees.org. AdsForTrees.org does not disclose personally-identifying information other than as described below. And visitors can always refuse to supply personally-identifying information, with the caveat that it may prevent them from engaging in certain website-related activities.

Some of those employees, contractors and affiliated organizations may be located outside of your home country; by using AdsForTrees.org, you consent to the transfer of such information to them.

AdsForTrees.org will not rent or sell potentially personally-identifying and personally-identifying information to anyone. Other than to project administrators, employees, contractors, and affiliated organizations, as described above, AdsForTrees.org discloses potentially personally-identifying and personally-identifying information only when required to do so by law, if you give permission to have your information shared, or when AdsForTrees.org believes in good faith that disclosure is reasonably

necessary to protect the property or rights of AdsForTrees.org, third parties, or the public at large.
